Child Safeguarding Statement

Sample document for demonstration only

Ballyclare National School is committed to the safety and welfare of every child, in line with the Children First Act 2015 and the Department of Education's Child Protection Procedures for Primary and Post-Primary Schools.

This statement sets out the risks we have identified, the procedures we follow to manage them, and who to contact. Our Designated Liaison Person is the principal, and the Deputy Designated Liaison Person is the deputy principal.

All staff complete Children First training, and the Board of Management reviews the statement and risk assessment every year. A copy is available from the school office.
