Attendance Policy

Sample document for demonstration only

Regular attendance matters. Children who attend school every day have the best chance to learn and to make friends. The school opens at 8.50am and classes begin at 9.00am.

If your child is absent, please send a note or use the online absence form on our website on the day they return, saying the reason. The school reports absences to the Tusla Educational Welfare Service when a child misses 20 days or more in a school year.

Holidays during term time are strongly discouraged. Please speak to the principal if you have a particular concern about attendance.
